PRESS RELEASE JANUARY 2024

Introducing Agnes Armchair

The new accent chair by Nelson de Araújo

Agnes Armchair

Nelson de Araújo Design proudly introduces a new accent piece, the Agnes armchair.

Created with symmetrical curves and adorned with a premium touch of bouclé, the accent armchair exudes a decorative charm, making a bold statement in a room.

Designed to stand out while seamlessly melding into evolving decor trends, the Agnes armchair is a symbol of the designer's commitment to innovation and timeless design.

Crafted by the hands of the finest artisans in Portugal, the new armchair embodies exceptional craftsmanship

and attention to detail. Its fusion of refined design and craftsmanship renders it more than a mere piece of furniture; it's an artistic centerpiece.

"This piece represents our dedication to providing furniture that harmonizes aesthetics with everyday practicality, allowing our costumers to curate spaces that reflect their unique style and preferences.", said Nelson, designer and founder of Nelson de Araújo Design.

The Agnes armchair is now available for purchase exclusively at www.nelsondearaujodesign.com
